

# Rehearsal Monitor Assignments

(Choir rosters for attendance check can be picked up at the registration desk and must be returned after the roll check is complete.)

**NOTE: Some of you will be monitoring All-State Show Choir also. If your Honor Choir assigned time conflicts with your ASSC assigned time, please swap with someone and let Pat know with whom you are swapping.**

I understand a couple of you have Show Choir kids and will have to step out of your monitoring session a little early to pick up your kids. If that be the situation, please tell one of the other monitors so that they will be aware of your location.
